

December 2008

NEWS & EVENTS

We are delighted to announce that on November 30th, 2008 we celebrated the day of St. Andrew - the Patron of Golf!

A special service was held at St. Andrew's Chapel – the church we have on site.

Many people joined the celebration and enjoyed the fantastic weather!

On December 1st, 2008 Golf Club Ibar's Executive Director, Mr. Kiril Nedev, had a meeting on site with Mr. Pierre Bos, Europe General Manager of Rain Bird Europe. As you are aware, Rain Bird have provided our golf course with a high class irrigation system. Mr. Pierre Bos shared he was very impressed with the quality of our project and happy to see it turning into a real success.

CONSTRUCTION

Work on the roads in Stage 1 is progressing well. We are currently levelling the sewerage/drainage shafts to prepare them and the roads for the top layer. At the same time the finishing work has also commenced – we have now started to put the top asphalt layer. In light of the coming winter progress will depend on the weather because low temperatures and snow are not suitable for work on the roads.

We would like to announce that the office of Golf Club Ibar will close for the Christmas and New Year Holidays on December 22nd, 2008 and will open again for business on January 12th, 2009.

We are wishing you a very Merry Christmas and a Healthy, Happy and Successful New Year!
